18Amp Battery

reddot award 2014
winner

LiteLock™
system

(patent pending)

The colourful route to effortless, safe drive

The new *Invacare Colibri* is a stylish, simple and colourful micro lightweight scooter, designed for those who enjoy a totally independent lifestyle.

Thanks to the unique *Invacare LiteLock™* system the scooter can easily be taken apart without the need for tools and fits neatly into any car boot. Plus, with its small footprint the *Invacare Colibri* offers greater manoeuvrability in tight, or limited spaces. That's why the *Invacare Colibri* goes anywhere your fancy takes you!

Additionally, you can choose from a range of trendy colour panels to match your style, swapping them according to your needs.

Be ready to roll comfortably and securely seated in your new stylish companion!

Yes, you can.®

Features and Options

LiteLock system - easy to take apart and reassemble

The ingenious and unique *Invacare LiteLock™* system automatically releases once the battery box has been removed. It takes less than a minute to take the scooter apart – without tools. Its front section can be simply lifted and placed in the boot of a car, along with the other sections. Later, it's just as easy to reassemble and the scooter is secure.

Mix n' Match panels - easy to change and durable

The *Invacare Colibri* is designed with the latest trends in mind so as well as a stylish body and a trendy seat, you can also swap the colour panels at will. No tools are needed, as the clip-on mechanism is quick and easy, guaranteeing that everything fits together perfectly and stays in place.

Effortless dismantling

Don't think - do it! Less than a minute is all that's needed to disassemble the **Colibri** for transportation.

Increased comfort

The soft, padded seat provides comfort during driving. For increased comfort there is also the optional 'easy fit' seat suspension kit.

Ergonomic Handlebar and Plastic Basket

For greater comfort and prevents fatigue in hands and wrists.

Choose from five great colours
